Other Updates

Spectrum Week

From Oct 16th to 20th, our team not only synchronized outfits but also organized themed art and craft activities. Teachers led quiz competitions focused on primary and secondary colors, creating a vibrant and engaging week

Art Exhibition -Children's Day Week

From November 16th to 18th, the Learning Centre community celebrated Children's Day with a three-day art and craft exhibition. Guided by the dedication of teachers, hospital spaces were transformed into showcases of imagination, featuring diverse themes like Madhubani Art, Aldo Rossi coffee maker art, Greek pottery, Colours of the world, Tribal houses, Chandrayan Art, Cabin Art, Crumpled paper art, and Caterpillar. Each piece reflected the boundless creativity and spirit of the young artists.

Karnataka Rajyotsava Celebrations

In a touching tribute to Karnataka Rajyotsava (November 1st), young artists at Samiksha Foundation Learning Centres crafted inspiring artwork, capturing the essence of the occasion.

Milaap Interview

On December 8th, Milaap, India's largest crowdfunding platform, organized an event at the Samiksha Foundation Office. The focus was on addressing the challenges of education for patients with long-term illnesses and how parents manage education in such circumstances. The event featured speakers, including the Founder, Education Lead, a Centre Coordinator, and a Teacher from Samiksha Foundation. Their insights and experiences aimed to shed light on the impactful work of SF, aligning with the theme of the event and providing valuable insights to the audience.

BounceBack Fundraiser

On December 9th, the BounceBack Event at Mallya Aditi International School was a wonderful experience. The warm welcome from former interns, now part of the organizing committee, was truly overwhelming. We appreciate the steadfast support from the school's faculty, enhancing the impact of our presence.

Christmas Theme Craft

On Dec 22nd, the Learning Centre at MSCC hosted a craft session inspired by Christmas. Children had the opportunity to explore and create art in the style of this festival.

Additions to our team

- We added a new member to our team in January 2024, taking the total number of teachers to nine. Our team of teachers- Vidyavathi, Parvathi, Ambika, Chandana, Deepu, Sharada, Nivedita, Garima, and Archana deliver The Integrated Learning Program (TILP) across 5 Centres (4 on-ground, 1 virtual).
- We have acquired 50 Lenovo Tablets for delivery of our education program
- Our 6th Learning Centre is being inaugurated on Thursday, 25th January 2024 at St. John's Medical College Hospital, increasing our reach to more than 950 new students across all our Learning Centres each year.

Let us work together to make a real difference to children with cancer.

Samiksha Foundation is working towards raising funds to continue our integrated education, art, creative play, and yoga-creative visualization programs, and sponsor education of cancer survivors through scholarships.

Looking forward to your assistance by donating towards this-

- disbursement of more than 12 lakhs to 80 students through the Samiksha Foundation Scholarships Program
- get 30 more Tablets at a cost of about 4.5 lakhs to enable our students to access our Learning material on the cloud and for virtual mentoring.

We can provide you with the necessary 80G [India] or 501(c)(3) [Dollar donations] for you to get the tax benefit for your donation.

Donate at: <https://samikshafoundation.org/donate/>

Appreciate your attention and look forward to your continued support of our work.

With best wishes
Team Samiksha
